Why Sign-Up for Teens in the Driver Seat?

Car crashes are a leading cause of death and injury for young people in this country. Teens in the Driver Seat (TDS) seeks to save lives and prevent injury among youth through education, empowerment, and peer-led outreach. We work with youth teams to combat risky driving and passenger behaviors across the nation.

Benefits of Teens in the Driver Seat:

- Student-led peer-to-peer outreach that builds a culture of traffic safety
- Earn up to **\$1,250** per year for your school/club
- Excellent service project for a student organization/club
- Free to enroll your public, private, or charter high school or middle school
- Youth teams are also eligible - please contact us
- Receive a free educational and outreach kit each year
- Builds student leadership skills

What's in your free kit?

Once you enroll with the QR code below, we'll send you your full education toolkit plus instructions to get started.

- Team t-shirts, messaging resources (like posters and banners), small outreach items (like pens, wristbands, and tattoos)
- Supplies to conduct all driving risk activities and risk units

We are here to help!

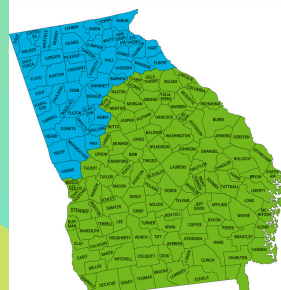

Texas A&M Transportation Institute gives you the science, guidance, and project resources to implement the program. Check out www.t-driver.com for ways to be involved, activity ideas and contests.

TDS is FREE thanks to our sponsors:
