Re: Performance at AVPride Afterschool Program and holiday performance at Peeples

**Monday, December 11** I would like for my jugglers to meet me at the old Fayette Middle School (Grady Avenue) in Fayetteville to perform for the kids that are in an afterschool program sponsored by AVPride of Fayette County.

We will meet at 3:45 and gather in the gym. The students will join us in the gym at 4:00. We will perform 3 songs for the kids and then have a cookie party with them. (I hope you have seen the sign up genius that Susan Krabsen Jensen sent out last week). I would like for our team to mix and mingle with the kids at the program, meeting new friends and just being friendly at this time of year. I would think that we will be finished, cleaned up and all, by 4:45 pm. Our kids did a great job at AVPride last year and we really had a great, memorable time. Those kids have a big place in my heart.

**Friday, December 15** please allow your Juggler to wear his/her uniform or at least their shirt over pajamas to school (if they are Peeples kiddos) for our holiday performance. We will be performing as part of our school's Holiday Celebration for the entire school. The Dribblers will begin at 8:15 and then the **jugglers** will perform at **8:25ish**. If you are a middle schooler, I have emailed your school about being tardy and it being excused.

This event will take place in the cafeteria. If your schedule allows, please make plans to attend at **8:25**. You will, however, have to stand in the back of the cafeteria. Seating will be limited to teachers supervising their classes since there will not be enough room for the table seats and all the kids for the sing along.

The jugglers will be performing on both the stage and on the floor of the cafeteria. We will perform the 3 songs that we will also do for AVPride.

Merry Christmas and happy holidays to you and your family!!

Coach Friday

---

Return the form quickly (or email your response). I need to know this information ASAP for positioning purposes and dots on the cafeteria floor. I do know that kids get sick at the last minute, so I will not hold you to your child being there 100% but would like to know if you **WILL NOT BE THERE** because of travel– and most people know that at this time.

My juggler, \_\_\_\_\_, plans to be at the AVPride cookie party on Dec. 11

My Juggler, \_\_\_\_\_, will not be at the performance on Dec.11

My Juggler, \_\_\_\_\_, plans to be at the performance on Dec. 15

My Juggler, \_\_\_\_\_, will NOT be able to attend the performance at Peeples on December 15

Parent signature \_\_\_\_\_ (or email response is fine).

Santa hats, reindeer ears, and any other holiday things may be worn for this performance.

Let me know if you did not receive the sign up genius for Monday's cookie party.
